Pettibone Road

Infrastructure Improvements

ATTENTION

Pettibone Road Residents (Aurora Road to Glenwillow)

Please be advised that the asphalt surface course will be completed today in Phase III, west of SOM Center Road. Following this work, this section will remain open to westbound traffic only, while the Contractor addresses outstanding punch list items in this area.

The roadway will be striped and is expected to be opened to two-way traffic by Friday, October 29, 2010, weather permitting.

Additionally, be advised the Contractor will continue to address punch list items in all phases of construction. This work will be on-going in all phases until all items are completed and accepted by the City of Solon. Please be aware of lane closures while this work is being completed.
